Schedule of Approval

Approval Documentation

Test report no.: SN09/6528.1 dated 2009-05-13 issued by Brandversuchshaus Hamburg, Germany.

Technical Data

Two-component coating with fire protection additive on base of hydroxyl group acrylic resin with hardener AL 17;

Mixture ratio (vol.): 7,8 : 2,2 (base : hardener);

Application on board according to manufacturer's instruction.

Remarks

None

Limitations on the acceptance or use of the product

None

Comment to USCG Approval

None

Notes:

This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform Germanischer Lloyd, as the Notified Body, of any modifications or changes to the approved equipment.

Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

This product has been assigned a U.S. Coast Guard Module B number 164.112 / EC 0098 to note type approval to Module B only as it pertains to obtaining US Coast Guard approval as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment", signed February 27th 2004.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body.
